

Wednesday Payson vs. Am. Fork, It's Going To Be a Fast Game

CITY PARK—3:30. Prices 50c; Ladies 25c; Children 10c.

American Fork Citizen

AMERICAN FORK, UTAH, SATURDAY, JULY 23, 1921.

NUMBER 24

NEW ROAD COMMUNITY FLAT

Commissioners Reese and the County Surveyor trip to the canyon to make the new road to Community Flat. It is proposed that the new road go up the main canyon on a proper grade and be reached by a back road on the side of the mountain until Community Flat. As it is the road is up to that point, but above the road is too steep for autos to go directly to the distance from the Dell Flat is about 2 miles.

Surveying for the new road commenced this week. An estimate will then be made and it is thought that the work will start shortly. The road could easily be made with one through Provo and make a delightful loop up around old Mt. Timpanogos.

SHORT ILL- NESS MRS. THOS. FEATHERSTONE DIES

Thomas Featherstone of this city died suddenly Friday morning. She was born in this city Jan. 18, 1880 and was the mother of six children. Four of those children survive her. They are Mrs. Vera Larson of Highland, Mrs. Emma Brown, and Mrs. E. of this city. She is also survived by one sister, Mrs. J. M. Green, of this city and two brothers, D. Boley of Salt Lake and Cyrus Mervah, Idaho.

She was a loving mother and an ardent believer in her religion. She was at one time a teacher for the R. O. Society in her ward. The funeral services will be held in the Fourth ward Chapel Sunday afternoon at 4 p. m.

CITY COUNCIL HOLDS SPECIAL SESSION

The City Council held a special session July 15th. C. E. Young and Dr. P. M. Kelly appeared and stated that the trustees of the Carnegie corporation would not furnish more than \$10,000 for the new building and that the one planned would cost upwards of \$15,000. The building will either be made cheaper or the money have to be raised some other way. It was suggested that the city equip the building with the necessary furnishings and that a popular subscription be asked to raise the balance. No action was taken, but the matter was left to the recorder and mayor for investigation.

Abram Greenwood appeared in behalf of the bishops of the town and asked that the band concerts be given on the tabernacle lawn Sunday nights instead of Main Street Saturday nights. Action was deferred until the opinion of the business men was secured.

Messrs. Coomer, Briggs and Bradshaw appeared relative to the Briggs Jensen water controversy. The council asked that an equitable settlement be made out of court and appointed S. W. Chipman to investigate.

The recorder was authorized to make settlement to the library board for the amount due from the 1920 taxes.

The mayor asked the opinion as to the sale of fire crackers and the motion carried that the ordinance be enforced and that the marshal notify business houses to stop the sale at once.

The wages of the traffic officer was set at \$80 per month. The city will furnish the machine and all gasoline. The recorder was instructed to investigate as to insurance for the new traffic officer.

Band Concert Tonight

There was no band concert here last Saturday on account of the rainstorm. It was to have been held in front of the Quick Lunch Cafe. It is probable that the concert tonight will be given there. At any rate if the weather permits a rousing concert will be given and the crowds will be entertained somewhere along Main street.

The band has secured a number of new popular tunes which will be played.

The band will also be out at the meeting Sunday night at the tabernacle.

All shades of shoe polish at 10c. at Grant's.

THE MOST THRILLING GAME YET PLAYED

The game here Wednesday between the locals and the Springville nine was declared to be the most thrilling exciting and the best game played here this season. The game was tied twice, the Springville were ahead of us twice, but still we beat them in the last half of the ninth. Many attribute the win to the timely hit of Shelley in the eighth, when he was used as a pinch hitter, while others attribute the win to the crowd of fans who were determined to win the game and started to "whoop 'er up," with the result that two runs were made in the eighth, tying the score. In reality, Fleiger lost his own game when he pitched a wild one in the ninth, after 2 men were down, allowing Birk to come home and give us the winning tally.

Features of the game were a low fly catch made by Birch in the first, a slide back to third by Barratt in the sixth, a running catch of Parker's in the eighth and the three base hits by Holmstead, Miller, Pexton and Fleiger.

In the first innings American Fork scored two runs and in the fourth Springville made 3. Then in the sixth American Fork made 3, putting us two runs to the good. In the same canto Springville made 1 and another in the seventh, tying the score. In the eighth Springville made two runs and it looked as though the game was lost. It was then that the fans got busy and the Champs came back with two runs, tying the score again.

In the ninth Holmstead led out and made a big 3 base hit out against the fence. Birk was walked by Fleiger. Barratt was at bat and Holmstead at bat, a "squeeze play" but was put out at the same time Birk made third. Barratt struck out and Miller came to the bat; Fleiger was going to walk Miller and threw a wild one, which the catcher failed to connect with, which allowed Birk to make home.

This is the fifth straight game that American Fork has won in the second half.

On Monday, July 25th the Champs will play the Western Optical Association, considered the best amateur team in Salt Lake.

The team is at Heber Friday as we go to Provo.

The other games played Wednesday were:

Provo 9; Payson 7.

Spanish Fork 8; Lehi 7.

The line-up and summary of Wednesday's game is as follows:

AMERICAN FORK

	AB	R	H	O	A
Holmstead, ss	4	1	2	1	1
Birk, 1b	4	2	1	9	1
Barratt, c	5	1	1	9	1
Durrant, cf	4	2	2	1	0
Miller, p	4	1	2	1	6
Homer, lf	4	1	2	1	0
Birch, 3b	3	0	0	0	1
Parker, rf	4	0	0	3	0
Shelley, 2b	1	0	1	0	0
Totals	33	8	11	25	10

SPRINGVILLE

	AB	R	H	O	A
Taylor, ss	4	1	0	4	2

on errors—Birk 2. Two-base hits—

Miller, Fleiger, Davis. Struck out—

By Miller 8, by Fleiger 5. Hit with

pitched ball—Durrant by Fleiger.

Stolen bases—Birk, Durrant.

CHAUTAUQUA IS EX- PECTED TO BE BIGGER AND BETTER THAN EVER

Advance information on the Ellison-White Chautauqua program coming here Aug. 2-3-4-5-6th indicates that it will be bigger and better than ever.

The towns of American Fork is indeed fortunate in having a whole week of entertainment and education presented by some of the Nation's best talent. The Commercial club has taken over the responsibility of selling the tickets and paying the \$800 necessary to bring a thing of this kind to our city. Every person in the north end of Utah county should show the Commercial club that they appreciate the efforts being put forth to better our towns and to make it definite that there cannot possibly be a deficit.

There will be ten big feature attractions, a price of \$2.50 per season ticket will be asked which will be only 25c per entertainment. If you purchase a single ticket each performance you would pay for the ten \$6.75; as some performances they charge \$1.00 for, whereby if you purchase a season ticket it means but 25 cents for each, and when you consider the class of entertainment being shown you cannot possibly afford to miss buying a season ticket and attend each performance.

The Commercial club is to be complimented for their efforts. The people must get back of the club in this effort or it is possible that we may not have a Chautauqua again next year.

Chautauqua Ticket Com.

Miller New Bury

The ticket committee of the Commercial club met at the club rooms Tuesday evening to formulate an organization for the selling of tickets for the coming Chautauqua. Much enthusiasm was shown by the members and everything looks favorable for a wonderful ticket selling campaign this year.

James T. Gardner was appointed chairman of the First ward, Jesse F.

MANY WILL VISIT MUTUAL DELL 25TH

The celebration of Pioneer Day at Mutual Dell will be "one continuous round of pleasure." Many events have been planned to entertain the crowds who will assemble. One of the features of the days program will be the dedication of the hut.

The program of the day will include:

Assembly, 8 to 10 a. m.; dinner, 12 noon; program in the open air 2 p. m., with special musical numbers and a prominent speaker; sports, games, base ball, etc.

The County Commissioners have made the following traffic regulations for the day:

From daylight to 10:20 a. m. all traffic must go up the canyon. At 11 until 11:20 autos may leave to come down the canyon. From 12 to 12:30 and so on until 6 when all traffic must be only coming down until 8 p. m. This is deemed necessary to insure the safety of those who will want to make the trip.

The celebration will be under the direction of the stake board of the Y. M. and Y. L. M. Y. A. Everyone is invited to attend and enjoy the beautiful mountain scenery and the festivities of the day.

We guarantee our matches to be full count boxes—best kind made—3 boxes for 20c at Grant's.

C. Owen Draper is ready to sell you a bicycle. See his adv. on Pleasant Grove page.

Steele chairman of the Second ward

John Hunter chairman of the Third ward and Dr. Jas. M. Grant as chairman for the Fourth ward. Irene Chipman was appointed as out-of-town chairman, with Mrs. Reva B. Cutler as assistant. Every home in the north end of the county will be visited. The citizens should welcome these workers, who are giving all their time free gratis. They will not even receive a free ticket themselves. C. V. Brady whpvy—ad the american fork

BASEBALL JUBILEE NEXT WED. EVENING

A big base ball jubilee and dance will be given in honor of the American Fork Champs next Wednesday evening. The boys will be banqueted at the Y. Cafe at 8:30. The band will give a free street concert on Main street from 8 to 9, after which a big dance and snappy program will be given at the Apollo. Clever vaudeville stunts, good music and snappy speeches will be interspersed with the dances.

The Champs have won the first half of the season and so far have not lost a game in the second half. The town has rejoiced at their success in many ways, but they have failed to show the team just how they felt. Now is the time for every citizen to come out and show the team that we are proud of them and that we are going to help them win the second half and then take the state championship.

All citizens who desire to join in the banquet can do so by paying for their meal at \$1.00 per plate. The regular dance prices will be charged for the jubilee and dance at the Apollo hall.

Let's everybody come out and make the team feel glad that they are playing for a bunch of fans like us.

Bridges Washed Out

The electrical storm here Sunday was one of the fiercest and longest we have experienced for some time. A cloud burst in the canyon filled the creek until it was higher than any time during the high water season. The bridge at Tank canyon, just below the Hanging Rock, was washed out; 30 feet of pipe line of the power Co., was washed away at Deer Creek, besides many washes across the road at various points. About 12 automobiles were held up for several hours before relief could be had.

Much credit is given C. M. Beck, the county road man from here, for his quick work in repairing the road. It is now in splendid condition it is said.

Big Base Ball Jubilee and Dance Wednesday July 27

THE CHAMPS will be banqueted at the Y Cafe at 8:30. EVERYONE INVITED TO PARTICIPATE—\$1.00 per plate.

DANCE and PROGRAM at the APOLLO, 9 p. m. Spicy program of vaudeville stunts, music and speaking; interspersed with the dance. Everybody invited. Regular Prices

Come out and show the boys you are glad they won the first half and that you are going to help them win the second half.

ANOTHER WEEK OF EDUCATIONAL FEASTING.
